6. Methodology and sources

Item	Definition / source
Scope	15 Oct 2011 – 15 Oct 2026; unique undisputed UFC champions whose reign overlaps period
Champion roster	Initial 78-person roster from previous working dataset, NOT independently exhaustively audited against every 2026 title change
Birth dates	FightIQ champions record book, as of 30 Sep 2026; 76 DOBs transcribed from FightIQ; 2 additional DOBs from ESPN and Tapology
DOB source	https://fightiq.win/record-books/oldest-ufc-champions
Title lineage	https://mma.social/champions
Astro-Databank	https://www.astro.com/astro-databank/
Ephemeris	Swiss Ephemeris via pyswisseph, tropical geocentric longitudes
Noon convention	For DOB-only fighters planets calculated at 12:00 UTC; not an asserted birth time. Moon and boundary sign may vary.
Aspects	Mars with Sun/Jupiter/Saturn/Uranus/Neptune/Pluto, major Ptolemaic aspects, orb $\leq 5^\circ$, using noon UTC reference
Precise charts	For 6 Astro-Databank records, timezone conversion with IANA zoneinfo, Placidus houses, geographic city approximations
Statistical caution	Descriptive counts only; no control group yet, no significance tests. Do not infer astrology predicts sporting success.
Sports stats caution	Defenses are preliminary from earlier working file; not independently re-audited.
Potential roster gap	Initial roster excludes newly crowned champions not previously listed; reconcile before final publication
AUDIT STATUS	PARTIAL AUDIT ONLY (15 Oct 2026). Not yet publishable as fully verified dataset.
Confirmed omission corrected	Natália Silva, women's flyweight, title 3 Oct 2026, DOB 3 Feb 1997. https://www.ufc.com/news/ufc-332-silva-vs-wang-results
DOB cross-check	https://www.tapology.com/fightcenter/fighters/99885-natalia-silva
Current titles	https://www.ufc.com/athletes
Other outstanding issues	Individual DOB sources mostly generic; all 79 birth dates and title defenses NOT independently audited.
Interpretation	No significance testing or controls; sign counts are provisional until roster and DOB audit completed.
